

## MEMORANDUM OF UNDERSTANDING

Between  
College of Electrical Engineering and Computer Science  
National Taipei University of Technology (Taipei Tech)  
And  
Dept. of Computer Science and Software Engineering  
Samuel Ginn College of Engineering  
Auburn University (AU)

In order to promote cooperation and the advancement of academic and educational exchanges between College of Electrical Engineering and Computer Science, National Taipei University of Technology and Dept. of Computer Science and Software Engineering Auburn University, the two units agree the following terms:

Within fields and terms that are mutually acceptable, the following general forms of cooperation will be pursued:

- Exchange of students
- Exchange of faculty, researchers, and staff
- Joint research activities
- Exchange of academic materials, publications, and information
- Special short-term academic programs

The terms of cooperation for each specific activity implemented under this Agreement of Cooperation shall be mutually discussed and agreed upon in writing by both parties prior to the initiation of that activity.

This Agreement becomes effective on the date of signature. Unless an earlier termination is mutually agreed upon, it is valid for five years with the understanding that either party may terminate the Agreement with a notice given six months in advance. Revisions or modifications maybe proposed at any time, effective from the date of written agreement signed by both parties.

Dr. Yuh-Shyan Hwang, Dean and Professor  
College of Electrical Engineering and Computer Science  
National Taipei University of Technology

Dr. Hari Narayanan, Chairman and Professor  
Dept. of Computer Science and Software Engineering  
Auburn University, USA
